

Health and Safety Policy

Providence Trucking Inc. is devoted to preventing accidental loss of our resources including employees, physical assets and respective standing in our community.

Management will provide and maintain a safe and healthful work environment in accordance with industry standards and in accordance with legislative requirements, and will strive to eliminate any foreseeable hazard which may result in property damage, accidents or personal injury or illness.

Providence Trucking Inc. is committed to protecting its employees as outlined in section 2 of the Workplace Health and Safety Act.

All employees contractors and subcontractors will be equally responsible for minimizing accidents within our facilities. Safe work practices and procedures will be clearly defined in the Safety Manual for all employees to follow.

Providence Trucking Inc. requires that all workers be involved controlling accidental loss, this includes managers, employees and supervisors. Safety is everyone's responsibility

All management functions will comply with legislative safety requirements as they relate to planning, operations and maintenance of facilities and equipment. All employees will perform their jobs properly in accordance with established procedures and safe work practices.

We at Providence Trucking Inc. believe that safety is produced by commitment and dedication by all involved.
